### **How to print a list of birds using Pidexx**

Continuing on with the Pidexx program. Once you have entered all your data (ring details) into the Pidexx program you can now "Print" a list of those birds.

1. Click on "Pidexx" at the top left hand corner of the Pidexx screen (the one next to "Options").
2. Click on the "Print" option in the drop down box.
3. Select the club name and fancier from the two options displayed in the "Print Fancier Data" box.
4. A list of the birds will be displayed for the fancier you selected if they have been already entered.
5. Click on the "Printer" icon displayed at the top of the screen and the list can be printed if you have a printer connected to your computer.
